

WIFE TRIES TO SAVE HUSBAND

Pleads with Recorder, Who
Sends Her Away Before
Imposing Sentence.

William Albert was up before Recorder Goff to-day for sentence. He had been convicted of attempting to steal a diamond pin from a passenger in a subway train at Forty-second street on the night of April 4. Albert, who is a tailor and lived at No. 11 East One Hundred and Sixth street, was sent to the House of Refuge in 1901 for committing a theft. After his release he married and was supposed to have settled down.

When Clerk Wolf called Albert to the bar to-day a young woman, who had been crying in the rear of the courtroom, arose and walked to the railing in front of the Recorder's bench. Both of her arms were in bandages.

"Please let him go," she pleaded with the Recorder. "You must not send him to prison. He is my husband, father of my child. I will starve."

"The woman grew hysterical. Court attendants quietly surrounded her and started to carry her from the courtroom when Recorder Goff intervened. "My poor woman," he said. "Go home. I will not sentence your husband now."

Mrs. Albert, escorted by a woman friend, left the court.

"You see what misery you have brought upon your unfortunate wife and child," the Recorder said to Albert. "Why didn't you continue to lead a straight life for the sake of your wife and your child? The sins of men, especially fathers, are visited upon the woman and children. Yet no doubt my words will be lost upon you, for there seem to be no redeeming qualities in you."

Albert was sentenced to Sing Sing prison for eighteen months.

TOO LATE?

MAMA! Don't be frightened—but be warned! Every Mother knows, or should know, that the terrible Mortality among little children is caused by Stomach and Bowel troubles. Colic, Sour Curd, Cholera Infantum, Summer Complaint, Measles, Rash, Scarlet Fever—even Mumps—have their first cause in constipation.

The Delicate Tissues of a Baby's Bowels will not stand rough treatment. Salts are too violent, and Castor Oil will only grease the passages, but will not make and keep them Clean, Healthy and Strong.

There is no other medicine as safe for a child as Cascarets, the fragrant little Candy Tablet, that has saved thousands of families from unhappiness.

The Nursing Mother even in good health should always keep her own Bowels Loose and her Milk Mildly Purgative by taking a Cascaret at night before going to bed.

No other medicine has this remarkable and valuable quality. Mama takes the Cascaret, Baby gets the Benefit.

Cascarets act like strengthening Exercise on the weak little bowels of the growing babe, and make them better

able to get all the nourishment out of Baby's Natural Food.

Larger children cannot always be watched, and will eat unreasonably. The Ready Remedy should ever be at hand—Cascarets—to take care of the trouble when it comes.

No need to Force or Bribe children to take Cascarets. They are always more than ready to eat the sweet little bit of Candy.

Repulsive medicine forced on the little ones does more harm than good.

Home is not complete without the ever ready Box of Cascarets. Ten cents buys a small one at the Corner Drug Store.

Be very careful to get the genuine, made only by the Sterling Remedy Company and never sold in bulk. Every tablet is stamped "CCC."

It has been arranged to mail free a beautiful little French-designed GOLD-PLATED tin box, handsomely illustrated in every color a handsome ornament, most liberal offer ever made. Every mother should have one. Ten cents in stamps is asked as a measure of good faith and to cover cost of Cascarets with which this dainty box is loaded.

Send to-day to be sure to mention this name and write your address plainly. Address: Sterling Remedy Company, Chicago or New York.

Special for Friday and Saturday, \$5 GOLD EYEGLASSES, \$1

This offer should be taken advantage of by all who require eyeglasses. The staff of eye specialists which I have to assist me are thoroughly reliable, experienced and competent. My methods of examining eyes are the best, instruments adopted are of my newest and latest inventions.

If you suffer from headaches, nervousness, insomnia, mental exhaustion, double vision and many other ailments which proper glasses correct, allow us to examine your eyes and diagnose your case. This service is absolutely free of charge.

Don't take chances with being improperly fitted by the unreliable, when you can get just the kind you need from me, and at a cost that will be trifling. Remember my offer.
